

Declaration of Vengeance for My Household

Father God, we praise you for keeping your covenant and we commit anew to advancing your cause and your kingdom. In the name of Jesus, we enforce Christ's victory and our blood-bought redemptive right to execute judgment against the evil forces that have attacked us. Avenge us speedily of our adversary today, and put an end to the wickedness of the wicked! The prince of this world is judged, so we release the judgment of God against his agents, against witches, sorcerers, wizards, warlocks, enchanters, soothsayers and diviners operating against our families, homes, businesses, possessions and destinies, in Jesus' Name.

Every agent of the devil behind the torments, torture and affliction on my life and body will pay for it today! Father God, put down every adversary risen up against me and my family today! Every arrow tormenting any aspect of our lives returns to the sender sevenfold today! Vengeance shows up in my favor, and a divine massacre against every force of darkness in the camp of my enemy!

My God answers by fire every curse sent for my destruction. Vengeance brings an end to the operation of wickedness against my life starting today!

Every agent of the devil bewitching my destiny goes falls into his own trap today! Whatever spell has been robbing my abundant life is stopped today!

Father God, release your vengeance upon every source of satanic bondage in my life! Every force pursuing me and my family to our hurt is stopped today! Every demonic source of shame and reproach in my life is wiped out forever!

Every source of occultic harassment against my life is under judgment now! My redemption in Christ makes me untouchable and uncrushable! This day the Lord has subdued my enemies and turned His hand against my adversaries! Every siege on my head, my family, my health, my finances and my business is over today! Every agent of wickedness threatening me and my family's generational legacy in Christ is snared and judged by the words of his own mouth!

We release the host of heaven to execute vengeance on our behalf, and Lord, we thank you for angels that hearken to the voice of your word, and enforce heaven's prophetic agenda for the people of God. Thank you, Father, for our breakthrough testimonies that glorify your Name. As for me and my household, we will serve the Lord, in Jesus' Name, amen!
