Dear Partner,

Veronica and I want to thank you for being our partner and for helping us to take the gospel throughout the world. As I sit and write this letter to you, I am overwhelmed by the miracles we have witnessed together. The stories that have come in from around the world about how our partnership has changed lives are astounding! We traveled to India in October of 2016 and the altars were full of people giving their lives to Christ and receiving faith to overcome! I could not have done this without you and that is why I say “we” traveled to India. I may have been the mouthpiece, but you were the instrument God used to reach those precious people. And do you know what person after person said to me as I encountered them in India? “Pastor, we watch your program on TV!”

I was blessed, and I wanted to let you know your faithfulness is making an impact. I also wanted to share with you there is more work to be done!

Bill Winston Ministries has big goals for 2017, and one of them is the global expansion of our Believer’s Walk of Faith television broadcast. As I experienced first hand in India and Africa, for many people around the world television is their only means to hear the preaching of God’s Word each week; therefore, Believer’s Walk of Faith is an important part of our ministry’s outreach to reach the lost and to teach people how to live by faith. I am compelled to not only continue to reach these people, but to reach new people and that only happens through expansion. It’s time to place the programs on more stations and digital platforms than ever before!

Faith comes only one way -- by hearing the Word of God, not once, but over and over. “So then faith comes by hearing, and hearing by the word of God.” (Romans 10:17 NKJV) Faith is what people need to manifest the promises of God, and is the only force that can deliver them from a Babylonian world system trying to meet its needs without God.

Here is how you can help!

Believer's Walk of Faith currently reaches 800 million households. Our 2017 goal is to reach **one billion households** with a television budget of \$2.6 million fully paid for by the end of the first quarter. Now that may seem like a lot, but it really isn't. I want to show you just how easy it is. But first, ask yourself a question... "What's it worth to see 200 million more homes being reached by the gospel?" Listen to what Jesus said in (Matthew 18:12 NKJV) "...If a man has a hundred sheep, and one of them goes astray, does he not leave the ninety-nine and go to the mountains to seek the one that is straying?"

So, the answer is – one life is worth it all!

And so, here's how easy it is for us to expand our TV broadcast! I've calculated that if each of the partners receiving this letter were to give a special offering of \$150, OUR 2017 TV BUDGET PLUS OUR EXPANSION EFFORTS WOULD BE PAID IN FULL!

Sowing and reaping is God's way to meet not only your needs but also the needs of others. It's part of God's covenant, which will never fail you. Please prayerfully consider sowing a seed to this important television outreach and give as God directs you. Expect God for a harvest. Enclosed is a brochure that provides more details and instructions on how to give.

YOUR generosity through your SEED towards the 2017 television budget will make reaching these new households possible!

PLEASE, before you move forward to the next task in your morning or evening, please pray about your expansion! PLEASE consider standing with me once again and HELP ME reach the world. Together, we can reach so many precious people!

Thank you again for your partnership and for your investment into the lives of others through this ministry. I pray that you and your family will experience your best year ever in 2017! It's going to be a great year. Veronica and I love you. Keep walking by faith!

Your friend and partner,

William S. Winston
